

2023-2024 Volunteer Points Requirement

HOW TO EARN VOLUNTEER POINTS

The easiest way to earn volunteer points to is sign-up online for shifts at your required swim meets. The more volunteers, the easier it is for everyone involved. **You must be LOGGED IN to the website when you sign up or your volunteer points will not be credited to your account.**

Additional points can be earned at other meets such as time trials and other volunteer jobs listed below.

SWIM MEET VOLUNTEER POSITIONS

This is the primary way in which points are earned for the swim season. The Officials Coordinator may increase the point value for shifts that are difficult to fill.

SWIM MEET JOBS

NAVIGATING THE OFFICIALS PATHWAY: learning swim meet roles

OFFICIALS TRAINING

Swimming Canada is in the process of updating the Officials Pathway for the first time in 50 years. The aim is to make it more user friendly and easier for officials in all roles.

At the start of the season, Aaron Renyard, our Club Officials Director, will activate your officials account in the Swimming Canada system. You will be emailed a link and be required to **login and sign the Assumption of Risk** waiver form to activate your account – **when you do this, you will receive 1 volunteer point.**

Aaron will review these steps, and provide further details about training at the early season parent meetings.

It is the expectation of the club that members will diversify their skills to help in many areas of running a swim meet. It is also expected that when a swimmer moves to a higher competitive group, their family will take on higher level volunteer positions. If you are new to officiating, opportunities to Shadow and learn from more experienced officials can be arranged by contacting the Officials Coordinator for any meet.

During the season, ISC will host a number of officials training clinics to help diversify officiating skills. This allows for maximum flexibility when organizing a swim meet. More information about the official's pathway and how to upgrade your skills is available on the Island Swimming website under Member Info.

If you have specific questions about the Officials Pathway or your certification status, you can contact Aaron at officials@islandswimming.com
