

Nomination Form: Cathy Shepherd-Finlin

I would like to formally submit my name to continue on the EKSC board.

I have been a board member for the last 2 years and have had the privilege of seeing EKSC emerge for the Covid 19 pandemic stronger than ever.

I am excited to commit to another term of contributing to the growth and vision of EKSC from the very smallest Bears to the national level hopefuls!

I bring the experience and passion of having a swimmer start out in silver at 8 years old to becoming a member of Canada's National team. I know this has happened through the dedication and support of the families, coaches and board at EKSC and I want to give back to all those who have given so much.

Catherine
