Saskatoon Junior Goldfins Swimming Lessons Make A Splash In September

The Saskatoon Junior Goldfins Swimming Lessons Program "splashed" into September as the Goldfins Swim Club welcomed over 200 Junior Goldfins into the Program this season.

This season, the Program will continue to bridge the Junior Goldfins Swimming Lesson Program to the Saskatoon Goldfins Competitive Swim Club Age Group Program.

Junior Goldfins swimmers will be offered a variety of racing opportunities throughout this exciting swim season. The Junior Goldfins Swim Program has been busy revamping its curriculum and different aspects of the Program to make it even better than before! We look forward to seeing our Juniors "Take Their Marks"!

KICKING
KRAZY
CELEBRATION
EVENT

During the week of October 22-24, 2023, Junior Goldfins swimmers (Bronze, Silver & Gold) will be participating in the first of the 2023-2024 Kicking Krazy Celebration Event series. This event will be held during the Junior Goldfins regularly scheduled lesson time slots. Swimmers will be taken through some brief warm-up activities, followed by a variety of kicking heats (25M) using an assortment of equipment. Prizes will be awarded to our heat winners. Following the kick events, swimmers will enjoy a "splash" of leisure fun with their coaches. The Junior Coaching Staff is eagerly looking forward to seeing the Juniors compete in this event.

JUNIOR GOLDFINS EQUIPMENT REMINDERS

Thank you for ensuring that your Junior Goldfins swimmers have purchased a tight fitting bathing suit, swimming goggles, swimming cap (Goldfins have these caps for sale if your swimmer requires one), a junior kickboard, and competitive swimming fins (short blade are preferred.)

Please mark all of your swimmers equipment with a permanent marker/splash of spray paint to ensure they have picked up the right equipment following their lesson. If you require any of this equipment, please visit Al Anderson's Source For Sports website/store.
