## Group Description

Titans Bronze is the entry level group at the Ridge Meadows Swim Club. Swimmers learn the fundamental skills needed to develop in the sport of swimming. The focus is on creating a safe environment for swimmers to develop as an athlete as well as having fun at the pool in a group environment. Swimmers that join the group, have completed all 3 levels of the Titans Swim School, or are joining from another learn to swim program.

Pre-requisite: Swimmers entering this level are able to swim a 25m of Freestyle, Backstroke, Butterfly kick, and are able to do Breaststroke Kick holding on to or against the wall. Swimmers can also dive in the water and hold a streamline glide.

For the 2024/25 season, each family will be responsible for completing an assigned number of shifts for each of the listed home meets above, based off the swimmer at the highest level within the program. If all shifts are not completed, then there will be a \$100.00 charge posted to your account for each missed shift upon reconciliation of the service hours. We are hoping that the new direction that we are taking as a club will build our community, our group of Swim BC officials, and make each hosted competition an RMSC family event.

### Are you timing or officiating at other meets hosted across the province?

During the 2024/25 season we are excited to offer our RMSC families a \$20.00 credit on your family account for each volunteer shift that is completed at another teams hosted meet.

- 2. Family needs to send an email to [competitions@rmsctitans.ca](mailto:competitions@rmsctitans.ca) BEFORE the scratch deadline to declare the swimmer will not be attending the meet.**
- 3. Any declarations done on TEAM SNAP or on TEAM WEBSITE will not be accepted and will be considered a NO SHOW.**

**Reminder that training fees for each program, cover the cost of the program as a whole, not the # of practices per week, etc. There will be no MAKE UP practices schedule, unless an opportunity is communicated by the coach.**
