

Hyack Assessment Camps – New Westminster

Hello and Welcome!

The Hyack Swim Club is excited to announce that starting this year we will be running Assessment Camps in New Westminster for the upcoming 2024-2025 season. This will be a great opportunity to secure early registration (dependent on group availability) and to experience organized club swimming. The camps will be focused on fun and introducing swim training concepts while giving basic reviews of the fundamentals of swimming. You must register at the camp and after the 3rd week the coaches will tell you which group they recommend.

Please note that you can only sign up for one camp. You can only come three times, always on the same day and at the same time - Tuesday or Thursday. If you sign up for Tuesdays, you can't come on Thursdays.

There are 3 different sessions according to age, skills and levels. The assessment camp is once a week for 3 weeks on Tuesdays or Thursdays.

Please note that a basic swimming ability is required, and lessons should have been taken before signing up for an assessment camp. If the requirements of the assessment camp do not match the athlete's abilities, do not apply. The camp will be conducted in deep water, so each athlete needs to have a basic affinity to swim unassisted, the instructor does not go in the water.

There will not be a coach in the water with the campers.

All equipment needed for the camp will be provided to the campers.
