PARIS 2024

AS WE HEAD INTO A SUMMER OLYMPIC YEAR (OCCURRING ONCE EVERY 4 YEARS), TEAM CANADA IS MAKING PREPARATIONS TO GATHER A TALENTED SQUAD OF ATHLETES TO REPRESENT OUR COUNTRY OVER IN FRANCE. WITH CANADIAN TRIALS TAKING PLACE IN MAY, THERE IS MUCH ANTICIPATION TO SECURE EXCLUSIVE SEATS FOR WHAT IS THE HIGHEST CALIBER SWIMMING EVENT IN THE WORLD.

AS YOU MAY HAVE NOTICED, SOME HOUSEHOLD NAMES WERE ABSENT FROM WORLD AQUATICS CHAMPS IN QATAR THIS PAST WEEK. THIS DOES NOT MEAN THEY ARE FOR SURE HEADED TO PARIS QUITE YET, BUT RATHER THEIR OWN PLAN WOULD HAVE PARIS 2024 AT THE PEAK OF THEIR SCHEDULE, INSTEAD OF WORLD CHAMPS. THAT IS WHY MAGGIE MAC NEIL, JOSH LIENDO, KYLIE MASSE AND SUMMER MCINTOSH WERE NOT IN ATTENDANCE IN DOHA, QATAR.

AN INCREDIBLE AMOUNT OF THOUGHT, PLANNING AND PREPARATION FROM A WHOLE PARTY OF STAFF ARE NECESSARY IN ORDER TO EXECUTE SHORT AND LONG TERM GOALS AT THIS PROFESSIONAL LEVEL. THE PATH TO SUCCESS MAY LOOK DIFFERENT FROM ONE SWIMMER TO THE NEXT. WHAT IS UNDENIABLE, HOWEVER, IS THE RELENTLESS HARD WORK, SACRIFICE, RESILIENCE AND MENTAL FORTITUDE REQUIRED TO REACH AND SHINE AT WORLD-CLASS LEVELS.

Before you say 'Yes' to mortgage insurance, you should be aware that you have options.

When you are approved for a mortgage, your lender will typically offer you mortgage insurance. That may seem convenient, but before you say yes to mortgage insurance, you should know that you have other options.

Term insurance is an option that is rarely offered to you by your lender, but it can do far better in most circumstances. Protecting your mortgage with an individually-owned term insurance plan offers you and your loved ones better value and more flexibility.

In addition to all factors mentioned above, it's also important to highlight that mortgage insurance coverage ends when your home is paid off. A personal life insurance policy is unaffected by your mortgage ending, and can keep providing you and your family with protection in the years that follow.

In the same way that you decided to use an independent mortgage broker to help secure your customized home financing solution, it's ideal that you work with a financial advisor to help you find a suitable insurance solution to protect your family. An independent insurance broker can work with you to find the coverage that works for you.

Also, keep in mind that it's important to consider critical illness insurance in case you become seriously ill or injured and unable to pay your mortgage and other expenses. If you are an employee, your employers may offer critical illness as a benefit for you, but be sure the coverage is sufficient for your needs.

Differences between protecting your mortgage using term insurance vs. mortgage insurance:

	TERM LIFE INSURANCE	MORTGAGE INSURANCE
OWNERSHIP	You own the policy and you name your beneficiaries	For most mortgage insurance, you don't own the policy and your lender is the beneficiary.
COVERAGE	You can increase or decrease your coverage, renew your coverage and convert to permanent protection. If you renegotiate or pay off your mortgage or sell your home, you can continue your coverage.	Your lender will insure only for the amount of your mortgage. You can't change, renew or convert the policy. If you choose to move your mortgage to another lender, you can't transfer the policy.
BENEFICIARY	You determine who the beneficiaries are when you apply for the coverage, and can make changes at any time.	Your lender to pay off the mortgage.
GUARANTEE	Your premiums and benefits are guaranteed for the life of the policy. Only you can cancel or make changes to your policy.	Your premiums and benefits are not guaranteed for mortgage insurance. The lender can change or cancel the policy at any time.
STATUS	The amount you pay for your life insurance coverage is based on your age, health and smoking status.	Since mortgage insurance is usually provided through a group plan, you pay the same rate for your coverage as everyone else.

At ZLC, we believe that our clients can make the best decisions when they have been given the most comprehensive expert advice possible. Because each individual's circumstances are unique to them, it is important to review your particular needs with your qualified associate. **Meet with a member of our team** to learn more or get started.
