

OSC Summer Camps 2024

Olympian Swim Club

1

Welcome to the Olympian Swim Club's 2024 Summer Camps!

Our goal for the Olympian Swim Club (OSC) Summer Camps is to provide an opportunity for new and current swimmers to get back in the water, improve their swimming skills, and learn to enjoy exercise!

Our coaches will create a safe and welcoming atmosphere filled with positivity and foster a love for swimming and exercise. Time spent in the water will be centered around technique, skills development, and in-water games and racing. Time spent out of the pool will include games and activities that strengthen balance and coordination.

In this document, you will find answers to frequently asked questions. Please direct any questions to Amy Andrew at amy@olympianswimclub.com or Shane Downey at shane@olympianswimclub.com.

We look forward to seeing your swimmer this Summer!

Who is eligible to register for the camps?

Children aged 5-13, who are able to swim at least 15 meters unassisted and are comfortable entering and swimming in deep water.

My child hasn't been assessed. How do I get them assessed?

Don't worry, so long as your swimmer is able to swim at least 15 meters unassisted and is comfortable entering and swimming in deep water, we will be able to find a place for them in our camps. Swimmers who are brand new to OSC will go through a brief assessment on the first day of each camp.

Why is the camp restricted to those groups and age ranges?

Our summer camps are intended for new and/or current swimmers interested in the Mini O's program and the Competitive program. It is important that they have a basic knowledge of freestyle and backstroke (10-15 meters), and can swim confidently without aid (no lifejackets, floaties, etc), as we will be teaching skills that directly translate into our program.

When does registration open?

Registration will open to current OSC members on Friday March 1st, 2024 at 7:00pm and to new families on Monday March 4th, 2024 at 7:00am.

Can I register my child for more than one camp? How many spots are available each week?

Yes. Camp spots are first-come first-serve. There will be 50 spots available for each week. If more are needed, the club may choose to add more spots. Closer to the camps, the kids will be separated into groups based on age and assessed level.

Do I (the Parent/ Guardian) have to stay at Kinsmen while my child is at the camp?

No, when your child is at the camp, you can choose to stay and watch or leave. During camp time, they will be in the care of the OSC staff.

Pick up & Drop off - Time and Location

- Drop-Off: 1:00 - 1:15 pm at the OSC Office (by Door 3 at the front of the Kinsmen)
- Pick-Up: 6:00 - 6:15 pm at the OSC Office (by Door 3 at the front of the Kinsmen)

Parents will be required to sign their children in and out each day. Please let Amy Andrew know if you are unable to attend one day or need to drop off late.

What if my child completes the camp and passes all the skills for the next level? Can they move up to the next level for the next session or season?

Yes, if a swimmer completes a camp and is assessed for a new level, they can register for that level for the 2023-2024 season!

Our coaches will be assessing learned skills throughout the week and will make recommendations for the fall session.

Please note this may only happen for Mini O's level swimmers (not current JOW, JD, OW, or JAG). Additionally, depending on group availability Gold swimmers re-assessed as JOW or JD may need to check in with the OSC office regarding group availability.

Coach Qualifications

All of our OSC coaches are certified with their NCCP Level 1, Community Coach certificate or I Can Swim certificate.

I have signed my child up for an OSC Summer Camp, what do they need to bring with them? Here is a list of items your child should come with each day:

- Swimsuit(s)
- Towel(s)
- Goggles
- Hat
- Sunscreen
- Water bottle (can be refilled at the pool)
- Additional snacks (enough to last them the afternoon, snacks specific for any dietary concerns)

Safety

As with any camp, you are leaving your child in our care and can trust that they will be safe with us. Here are the safety precautions we will be taking to put your mind at ease and ensure your child stays safe:

- Head counts (not letting children out of their sight, but still allowing the kids to have fun).
 - To ensure all children are safe and accounted for, the coaches will record a head count every 15 minutes. This will not interfere with any swimming, exercise, or play.
- Coaches will have parent info and emergency contact info on hand.
 - Amy and our coaches will have all emergency contact information should a parent need to be contacted.
- Coaches will be equipped with a first aid kit.
- When on the pool deck, there will always be lifeguards who are trained in CPR and First Aid.
- Coaches will not be allowed to administer any medication your child may require.
- The camps will not be leaving the Kinsmen Sport Centre grounds. Places the kids will include:
 - Kinsmen Pool
 - Kinsmen Field
 - Grizzly Bear Lodge Playground
 - Splash Park
- The coaches will have their cell phones on them at all times to communicate with each other, if needed, and for emergency purposes only.
