

## **April Swimmer of the Month - Breakthrough**

The April Swimmer of the Month was awarded to the swimmer in each group who best exemplified the value of Breakthrough, showing a positive attitude to those around them.

Swimming is an individual sport, in a team environment. You are going to spend a ton of time with the group that you train with, so it makes sense to contribute to the environment as positively as you can and hope to receive the same encouragement back in return.

When you step up on the blocks, you're not alone. When you hear that "Let's Go O!", you know you have the support of hundreds and hundreds of OSC swimmers that make up this great club.

- Breakthrough means being the swimmer in the group that cheers people on
- It means trusting your coaches and working positively with them towards goals
- Finally, it means showing respect to the people that allow you to be a swimmer

Congratulations to all of the swimmers winning Swimmer of the Month for April!
