# How do you sign up for a bingo/concession shift?

- 2 months worth of bingo/concession dates become available usually the first week of the month.
- The bingo lead will email all club members when you can preview the dates and when you can sign up for a specific bingo shift.
- Club members will be able to preview the bingo dates at least 1 week prior to the sign up date.
  - Keep in mind your child's school PD and season breaks. (Ex. Fall, Christmas, and Spring Break)
- Only club members will be able to sign up for bingo shifts on the date emailed to you in advance.
- Go to [Olympian Swim Club | Sign in](#) to preview and sign up for the bingo shifts.
- Make sure you sign in at least **10 minutes** in advance of the time that the bingo shifts will be open to sign up.
- When you have signed in, click on the "parents" tab that is on the top of the page and then click on the "events" tab.
- 30 sec. - 1 minute prior to the bingo shifts becoming available, I suggest you refresh your page.
- **TIP:** Weekends fill up fast, so I would suggest you sign up for those first!

# Can I cancel my bingo/concession shift?

- ❖ You can change the amount of people or cancel the bingo/concession shift without penalty prior to the **due date** giving to each shift.
- ❖ After the due date, you are responsible to find a person to cover your shift to avoid a fine. A relative or friend can work your shift to help keep our events run smoothly and avoid getting fined.
- ❖ The following is a list of OSC fines related to the bingo/concession/casino department:
  - 1st Missed shift = \$100 + no credit for shift
  - 2nd Missed shift = \$250 + no credit for shift
- ❖ Please email the bingo/concession lead if you are **unable** to find someone to cover your shift 72 hrs prior to the bingo shift.
- ❖ Members who fail to attend two (2) or more scheduled bingo shifts will no longer be entitled to work further shifts without prior written approval of the Board.

# Who leads at the bingo/concession halls?

- The OSC Bingo Lead appoints who will be the on-site bingo chairperson at the bingo halls.
- The on-site bingo chairperson must be a **direct club member** or the bingo coordinator who is contracted by the club.
- Cheryl is our bingo coordinator and is currently the on-site bingo chairperson for the Parkway and Caesar's location.
- At the Castledowns location, Antouanet is currently the on-site bingo chairperson.
- At the Concession, Steve Plamondon is currently the on-site concession lead.

# Can you pick a specific job to work for your bingo shift?

- The on-site bingo chairperson has the responsibility to assign people to specific jobs.
- Our goal as a club is for everyone to work as a team so we can get the job done well.
- The on-site bingo chairperson makes sure that everything is running smoothly so that the bingo hall will continue to want the club to work future bingo shifts.
- **Bingo office jobs:** Chairperson, Paymaster, Bonanza controller, Ball controller. (These jobs are assigned to people that have worked bingos for a while.)
- **Bingo floor jobs:** Ball seller, Bonanza seller, Casino seller, Even Better seller, Double action seller. (These jobs are assigned to people that are new/newer to working bingos.)
- It is critical that everyone learns to do different jobs in the bingo hall.
- People go on vacation or have to deal with illness.
- The club needs to make sure that we can work a bingo at all times.
- It is important that you come to work your bingo shift with an open mind, friendly attitude, and understand that the on-site chairperson is there to guide and support the group of people that will be working the bingo.
- Remember, the more we sell the more our club benefits.
- The faster you call back bingos the faster we can go home.

# What are the expectations when working a bingo/concession on behalf of the club?

- Our mission is to work as a team so that the bingo/concession runs smoothly and the hall/stadium is happy with our work.
- Please try to arrive 15 min prior to the bingo start time. This helps the on-site bingo chairperson communicate to you what your job will be and sign up for your break time.
- Everyone is asked to **not** use their cellphone while working on the floor.
  - If you need to answer an **emergency** phone call or a text message, please go to the breakroom.
  - It is important that you return to sell as fast as possible.
- Bingo halls asks everyone to **not sit** on the chairs/booths out on the main floor and not wear airpods as we need to give our full attention to the bingo caller and players.
  - If you need a quick break for your feet, please let the chairperson know and you can take a quick break and return to sell/call back as fast as possible.
- Meal break:
  - Parkway - 30 min break
  - Castledowns - 20 min break
  - Caesars - 20 min break
  - Concession - 20 min break
- ❖ AGLC regulation is that all workers in the hall need to have their breaks in the hall. This is to make sure that everyone respects the time given for a break.
- ❖ It is very important to note that the bingo halls advisor is watching that we all meet their expectations/regulations in order to continue to get access to work a bingo. They can request for specific people not to work a bingo shift at their hall due to how they worked their shift.
