3.6 SCRATCHES, SUBSTITUTIONS, & DECK ENTRIES (applies to local Provincial Meets)

CSW 3.6.1 Once entered in an event, a swimmer who is not an alternate, may only withdraw or "scratch" from that event without penalty according to rules set down by the Provincial Section or written in the Meet Information package.

To assist the clubs in Alberta the recommended scratch rules are listed below and shall be the rules applied for all Provincial Competitions. If a swim club wishes to institute a different scratch rule/deadline the rules must be clearly communicated in the Meet information package.

Swim Alberta does not allow the use of monetary fines in scratch rules.

Scratch Deadline and Penalties for Finals:

- Scratches are to be submitted to the clerk of course 30 minutes after conclusion of the preliminary session. The conclusion of the preliminary session will be the completion of the final race of the session or when the 800/1500 are the last events of the session, the scratch deadline shall be 30 minutes after the completion of the last race immediately preceding the start of the 800/1500.
- The Late Scratch Deadline shall be 30 minutes prior to the start of the finals session. However, there shall be no re-seeding to include scratches made after the initial scratch deadline.
- The Late Scratch Deadline only applies if the coach of the late scratch swimmer notifies the referee and the coach of the alternate. The alternate is under no obligation to swim. Should the alternate decline to swim the coach of the late scratch swimmer must contact the coach of the 2nd alternate.
- Scratches received after the late scratch deadline, no-shows, step-downs and unexcused incomplete swims will result in the swimmer(s) being scratched from all remaining events, including relays, scheduled for that day.
- Although alternates are not required to swim, all swimmers not intending to swim finals should scratch by the scratch deadline. This will ensure that those swimmers, who would be intent on swimming in a final and qualify, would be provided the opportunity.

The deadline for name changes shall be clearly communicated in the meet information package, in the coaches meeting or in the technical bulletin.
