

Kerrisdale Pool COVID-19 Procedures

- 1) Prior to arriving at the [Kerrisdale Community Centre](#), swimmers must conduct a Self-Assessment for COVID-19. This can be done using the BC COVID-19 App or at the following link: <https://bc.thrive.health/covid19/en>.
- 2) The drop off location for Kerrisdale will be the WEST Emergency Exit door along 43rd avenue. Swimmers MUST arrive at least 10-15 minutes prior to the start of their practice, MUST be wearing a mask upon arrival and MUST arrive “swim ready”, meaning they have their swimsuit on under their clothes.

- 3) A VPSC coach will be standing on the sidewalk to greet, pre-screen and direct swimmers. Upon arrival, a VPSC Coach or COVID Ambassador will be waiting there to greet and check in the swimmers by asking them the COVID-19 Pre-Screening questions.
- 4) **IMPORTANT:** Parents should not leave until a swimmer has completed their check-in with the coach.
- 5) Swimmers MUST arrive on time and enter the facility with the coach. **Swimmers who arrive LATE will NOT be allowed to participate in the practice.**
- 6) Once all of the swimmers have arrived, the coach will lead the swimmers on to the pool deck and direct the swimmers where to place their belongings.

****A reminder that there will be no access to the changerooms, so swimmers should come with their swimsuit on and ready to go. Packing a towel, sweatshirt and easy slip on shoes to throw on after the session is a great idea for the walk back to the drop-off/pick-up area.**

- 7) Swimmers will be reminded to maintain proper social distancing at all times that they are on the Kerrisdale Pool property.

- 8) Upon completion of the session, swimmers will exit the pool and put their clothing on over top of their swimsuits.
- 9) The coach will lead swimmers through the EAST emergency exit to the pick-up location along 43rd Avenue. Parents are encouraged to please pick their swimmers up on time, as we will also be welcoming the next group onto the property.
- 10) If a swimmer develops symptoms for COVID-19 at a training session, your swimmers coach will reach out and they will need to be picked up immediately from practice. Our VPSC COVID-19 Officer (covid19officer@vancouverpacificswimclub.com) will reach out, in order to communicate our policies and the next steps for your swimmer.
